## Guidelines

Please note following points before contacting these buyers in Sweden:

- a) These buyers are contacted in routine by many suppliers from around the world, your message has to be special to attract their attention.
- b) Attach brochures, technical details and promotional material with your message.
- c) It's useful to give detail of your production facilities and capacity.
- d) Providing details of existing customers, if any, would help to convince the buyers about your credentials.
- e) Offer free samples, it shows your ability to fulfill technical requirements and operational capacity. Moreover, in most of the cases asking a sample is first step in buyer's commitment to buy from you.
- f) Wait patiently after your sales pitch, give buyer appropriate time to react. There should be at least one-week gap between repeated messages if not more.
- g) Communication messages should be concise and short, lengthy messages are generally ignored.
