I am directed to refer to Federal Board of Revenue (FBR)'s Office Memorandum C.No.15(19)L&P/2019(Pt) dated 6th May, 2021 and to share this Ministry's observations/views to the queries raised therein, in the following manner:

Queries of FBR	Views of Ministry of Commerce
Whether SRO 599(I)/1993 dated 17.07.1993 has been rescinded or still in field, and	The import of cars/vehicles under personal baggage, transfer of residence and gift schemes is regulated under Paragraph 16 of the Import Policy Order, 2020 read with Appendix-E thereto. Thus, the SRO 599/1993 does not govern the import of vehicles.
Whether the gift undertaking form (Annex-II) to the SRO 599(I)/1993 is required to be furnished by the importer or otherwise.	As per Paragraph 4(2) of Appendix-E, IPO, the procedure for import of a car under gift scheme requires that an importer, for clearance of imported vehicle, has to file following documents along-with the Goods Declaration: a) NIC of donee; b) Purchase receipt; c) Bill of Lading (showing name and address of consignee); d) Attested photocopy of passport or Pakistan Origin Card. As such, under the IPO in vogue, there is no condition of filing a Gift Undertaking, except attested copies of the passport or Pakistan Origin Card of the donor.

2. Moreover, it is clarified that, in addition to complying with the conditions and procedural requirements contained in Appendix-E of the Import Policy Order in vogue, for import clearance of a car/vehicle imported under gift scheme, the importer/donee shall file attested copies of relevant arrival/departure pages of Pakistani Passport of the donor, attested by an authorized officer of the relevant Pakistani Mission abroad, clearly showing his 700 days stay abroad during
